The Junior League of Boca Raton, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Focus Areas

The Junior League of Boca Raton focuses on three issues in our community: nonprofit support and child welfare.

A member of the Association of Junior Leagues International

Thank you for taking the time to learn how you can support the Junior League of Boca Raton (JLBR) through our Community Partnership Program.

The League Matters. For over 50 years, the Junior League of Boca Raton has been making an impact in the South Palm Beach County community. JLBR has addressed problems, devised initiatives, and founded programs to build better communities. We have trained generations of women to be leaders in business, the nonprofit world, in neighborhoods, and in families. Our impact is positive and widespread.

You Matter. JLBR is only as strong as the individuals who join us to further our mission in the community. Each one of our donors strengthens the League through their donation of time, talent, and resources. We couldn't do it without your support and each one of our donors is important.

Your Gift Matters. Your gift to JLBR helps us make an impact within our community focus areas — child welfare and nonprofit support. The Junior League of Boca Raton devotes volunteer hours and dollars to many organizations tasked with the reality of solving these issues each day. We are able to do that as a result of the generosity of donors and businesses such as yourself that give us the resources to make great things happen for people and organizations in need within our community.

We invite you to join us as we continue to build on our previous successes! Please consider joining our Community Partnership Program. We need your partnership to remain a successful organization who serves our members and the community. We are deeply grateful for your consideration of a gift to our League. If you have any questions about the sponsorship opportunities and benefits or would like a sponsorship/benefits package tailored to your organization, please email philanthropy@jlbr.org or contact 561-620-2553.

CHILD WELFARE • NONPROFIT SUPPORT

JLBR COMMUNITY ISSUES

The Junior League of Boca Raton has created several of our community's top charitable organizations. Over our 50 year history, we have invested millions of dollars, matched by millions of volunteer hours, in improving the lives of our neighbors in South Palm Beach County. We have trained thousands of women to address community needs and to take on leadership roles at every level. JLBR looks forward to the next 50 years of being a positive force for change through direct service, collaborations with other community organizations, and advocacy.

CHILD WELFARE

Child welfare is an issue that the League has focused on through various programs, projects, and collaborations with nonprofit community partners since our inception. We are tackling the problems affecting the health, safety, education and well-being of children in South Palm Beach County.

The Junior League of Boca Raton is excited to announce we have two new community projects in development.

LEARNING LIBRARIES

Learning Libraries aims to create a culture of reading outside the classroom that helps improve children's literacy development. Our objective is to inspire children to become avid readers by offering free book access through our local Learning Libraries prototypes, utilizing Junior League's voluntarism network and key community partners, like the Boca Raton Library System, Friends of the Library and other literacy organizations.

LEADERSHIP PROGRAM

At a time when youth need more support and resources than ever before, the Junior Leadership Program committee is cooking up an exciting new program for teens in the Boca Raton community. JLBR's Leadership Program will help youth gain confidence, develop leadership skills, and find their inner passion, resulting in new possibilities and brighter futures. Our curriculum combines resources from The Student Leadership Challenge, a research-based program by James M. Kouzes and Barry Posner, and Franklin Covey's The 7 Habits of Highly Effective Teens. Youth will also be exposed to high-quality speakers and new experiences through partnerships with nonprofit organizations.

COMMUNITY SUPPORT

By providing support and training to our nonprofit community, the League is able to empower them to improve their organizations' success and sustainability. Our highly-trained volunteers donate thousands of hours per year to fulfill the needs of our nonprofit community partners.

We advocate for our League and community issues of concern at the State level and through the development of relationships and partnerships with our community leaders and representatives. JLBR members spend hundreds of hours annually advocating for policies that directly affect our community.

JLBR also maintains and runs the Vegso Community Resource Center (VCRC) as a benefit to all area nonprofits. This building is uniting our community by offering resources and low-cost rental facilities.

The Grant Library at the VCRC is part of the Funding Information Network of the Foundation Center, Inc. and offers core materials and other resources which are extremely useful to nonprofit organizations seeking funding and information about nonprofit management. In 2007, the Vegso Community Resource Center received the Vision Award from the Association of Junior Leagues International. The JLBR offers this resource to all area nonprofits free of charge.

Specialized training workshops for nonprofits are offered by the Junior League of Boca Raton at the Vegso Community Resource Center. Workshops are provided on a regular basis both virtually and in person. Some of our ongoing workshops include topics ranging from financial management to grant writing and marketing.
